

Chocolate Menu

Milky Velvet

A touch of milk is added to the finest cocoa to make this supremely smooth pleaser for kids of all ages. Velvet is 100% natural - no chemical additives, artificial flavors or emulsifiers were used in its production.

Dark Cacao

Lovers of dark chocolate will find an exciting blend of fine chocolate (73% cocoa) and crunchy nibs of roasted Organic cacao beans - the perfect balance of bitter and sweet! And chocolate lovers with dietary restrictions can enjoy the fact that CACAO is vegan.

Refreshing Mint

A real treat for the taste buds, MINT is bittersweet yet refreshingly intense. An excellent choice for those seeking a multi-faceted chocolate experience.

Nutty Almond

Generous chunks of roasted almonds have been added to this pure chocolate indulgence.

About **ALTER ECO™** Dark Chocolates

All of Alter Eco's dark chocolates are 100% natural, containing no artificial flavors or sweeteners and free of soy, gluten and GMO. The small-scale farmers of the El Ceibo cooperative in the Bolivian Amazon cultivate cocoa crops using traditional farming techniques that produce the finest organic cocoa. The very best cocoa beans are selected and combined with organic unrefined cane sugar and made into a delicious, rich chocolate in the Swiss tradition. And because these chocolates are Fair Trade Certified, you are assuring that the farmers who grew the ingredients were paid a better, more stable price for their crops, improving the living standards of hundreds of families in the Bolivian Amazon.
